

## DRIVING EXPERIENCE

### **TEST WITH FORMULA AND TOURING CARS**

The best of both worlds: local pricing but with world class facilities and race cars. Enjoy the thrills of testing our cutting edge race cars at one of the world's newest and technologically advanced race circuits. The Shanghai Formula 1 circuit was designed by the world famous Herman Tilke and is a permanent fixture on the Formula 1 race calendar. This is a unique, once in a life time experience that allows you to ride alone one of the most famous F1 circuits in the world. The test is open to experience drivers or upon completing the mandatory safety introduction course.

### **RACING SCHOOL**

Learn the art and science of driving a race car at our state-of-the-art Formula 1 circuit. We provide the first steps for anyone who wants to enter the racing world and dreams of becoming a world class driver. Our school is open to anyone who has a true passion for motorsports or for those who wish to learn the secrets of racing. Our professional instructor will guide you through the excitement of driving your first Formula or touring car all the way to the professional level so that you can maximize the true potential within you.

### **PURCHASE YOUR OWN RACE CAR**

With extensive experience accumulated through years of involvement in the import and export of race vehicles and parts, we guarantee timely delivery of your race vehicles and parts throughout China from both domestic and international locations. We can offer to our members a wide range of services including storage and maintenance of their own race vehicles as well organized test on the main race track under the supervision of our technicians.
